

# MOSAIC™ 365 App Privacy Policy

Any personal information that is provided to us including and similar to your name, address, email, phone or that we collect from various sources, will not be sold, rented, released to any entities or individuals outside of our organization except as noted below.

Sources of data collection:

- a. A membership database that stores your information based on your affiliation with that organization.
- b. The MOSAIC™ 365 mobile app profile page, where you as a user, can update your profile information including your contact and personal information.
- c. A community platform such as Higher Logic, where we collect personal information about you as a community member.

Entities that we may share your personal information with:

1. **Your Membership Providers**  
A membership organization that you are affiliated with. As a user of the MOSAIC Mobile Platform, when you update your profile, we will share the changes with your membership organization to ensure the accuracy and integrity of your data.
2. **Service Providers**  
We may share your information with a service provider that provide a service on our behalf, for example, a credit card processor, to complete a credit card transaction from the mobile app. Our service providers are required by contract to protect the confidentiality of the personal information that we share with them, and to only use that information for the specific services provided on our behalf.
3. **Government and Legal Disclosures**  
We may disclose the personal information we collect, when we, in good faith, believe disclosure is appropriate to comply with the law (or a court order or subpoena); to prevent or investigate a possible crime, such as fraud or identity theft.
4. **Business Transfers**  
Your personal information may be transferred to another entity (either an affiliated entity or an unrelated third party) in connection with a merger, reorganization, dissolution or similar corporate event. If such a transfer does occur, the acquiring entity's use of your personal information will still be subject to this Privacy Policy.
